

ANOOP CHOLLANGI

OBJECTIVE

Always strive for perfection of work and to enhance my skills with commitment and devotion.

PROJECTS

h-BAJA 2024 (In Progress)

In the h-BAJA 2024 project, our ambition is to design and construct an effective off-road vehicle using CNG Fuel

Role : Designer

ELECTRIC TWO-WHEELER DESIGN COMPETITION BY SAEINDIA (NATIONAL LEVEL)

In this competition we have designed and fabricated our own Electric Two-Wheeler Vehicle.

Role : Leader, Designer

MINI VERTICAL BELT GRINDER

In this Vertical Belt Grinder was used to grind the rough surfaces like wood. The main moto is to align the belt grinder in a vertical position by using spring system.

Role : Leader

PORTFOLIO WEBSITE USING HTML & CSS

Created own Portfolio website by using HTML & CSS.
